parts list:

- 1 - vertical pole with three bungeed sections.
- 1 - base unit
- 1 - carry case
- 1 - graphic (inside base unit)

tips:

Always keep these instructions with your windowshade

When the display will be subjected to frequent travel, a hard carry case is recommended.

In case of loss or damage, spare parts are readily available.

1. Rotate foot

Rotate the foot out so it is at a 90 degree angle to the main body of the base unit.

2. Remove vertical pole

Pull the graphic out slightly to allow removal of the vertical pole.

3. Assemble vertical pole

Assemble the bungeed vertical pole by inserting the three sections into each others' ends.

4. Place vertical pole

Insert the black plastic end of the vertical pole into the hole in the base unit.

5. Raise graphic

Pull the graphic out from the base and hook the ring on the top crossbar onto the grooved end of the vertical pole.
